Advanced Assembly Presents Digi-Key Corporation with Supplier-of-the-Year Award; Visits Facility in Thief River Falls, MN

Aurora, CO – October 10, 2012 – Advanced Assembly recently awarded Digi-Key Corporation its 2011 Supplier-of-the-Year award. During a visit to Digi-Key's headquarters, Advanced Assembly's CEO, Lawrence Davis, presented the award in recognition of Digi-Key's outstanding service and support.

As the leading pcb assembly expert, Advanced Assembly's quick-turn, full turn-key service is supported by a unique access to Digi-Key's broad product line and rapid shipping. "Our strong relationship with Digi-Key has been an important element in Advanced Assembly's tremendous growth and success," said Lawrence Davis, CEO at Advanced Assembly. "Digi-Key's service allows us to provide customers with full turn-key quotes in less than 24 hours and assemble any size order in as fast as one day."

About Advanced Assembly

Advanced Assembly is an Aurora, Colorado company specializing in quick-turn, SMT assembly for design engineers needing low volume or prototype printed circuit board assembly. With customers like Motorola, AT&T and Intel, and close supplier relationships with Digi-Key, Mouser and Arrow, Advanced Assembly is quickly becoming the industry leader for prototype printed circuit board assembly.
