Advanced Assembly Again Named One of America's Fastest-Growing Private Companies by Inc. Magazine

Exclusive Inc. 5000 List Names Advanced Assembly as the Fastest Growing PCB Assembly Service Provider in the Country

Denver, CO – August 21, 2013 – Advanced Assembly, a leader in SMT assembly services for printed circuit boards, today announced it has been included in Inc. Magazine's exclusive list of the nation's fastest-growing private companies. The list provides a comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs. Advanced Assembly's three year growth rate of 141% makes it the country's fastest growing pcb assembly service provider. The company's success also places it among the top 100 fastest growing companies in Colorado.

"It is an honor for Advanced Assembly to again be recognized as one of the country's fastest growing and remarkable U.S. companies," said Kevin Ryan, president of Advanced Assembly. "Our inclusion in this impressive list is a direct result of the dedication, hard work and focus on customer satisfaction that our employees exhibit every day. As our company continues to grow, we look forward to helping even more engineers experience the ease and convenience of machine-placed, quick-turn pcb assembly."

In a stagnant economic environment, median growth rate of the 2013 Inc. 5000 companies is an inspiring 142 percent. The companies on this year's list report having created over 520,000 jobs in the past three years, and aggregate revenue among the honorees reached \$241 billion.

"Not all the companies in the Inc. 500 | 5000 are in glamorous industries, but in their fields they are as famous as household name companies simply by virtue of being great at what they do. They are the hidden champions of job growth and innovation, the real muscle of the American economy," says *Inc.* Editor Eric Schurenberg.
